## A Note From **THE PRINCIPAL**

It has been my distinct honor and privilege to serve as your principal over the past four years. Throughout this time, I can genuinely say that I have learned from you. You have taught me the true meaning of strength, resilience, and friendship. I have watched you lift each other up during difficult times, celebrate each other's successes, and face every challenge with courage and determination. Through thick and thin, you stood together, and in doing so you showed the kind of unity and character that the world desperately needs today. The world could learn a powerful lesson just by watching how you care for and support one another.

As you move forward to the next exciting chapters of your lives, I hope you will never forget Technology High School is not just as the place where you studied, but as the community where you grew, where you made lifelong friendships, and where you discovered who you are becoming. Carry those memories, lessons, and values with you wherever you go.

No matter where life takes you, college, career and beyond, know that you will always have a home here. Once a Panther, always a Panther.

I am so proud of each and every one of you, and I cannot wait to see all the incredible things you will accomplish.

Congratulations, Panthers! The best is yet to come!

## Unforgettable Smiles

There are friends  
who stay for a moment,  
and then there are those  
who change everything.

From late-night talks  
to spontaneous laughs,  
from sharing an ice cream  
to sitting shoulder to shoulder at  
Korean BBQ—

Hilma was always there, heart open,  
arms wide, and spirit full of light.

She had a way  
of making everyone feel seen,  
reminding us to smile, to reflect,  
to grow.

Her presence wasn't just comforting  
it was inspiring.

She challenged us to become better  
versions of ourselves.

Her laughter still echoes  
in our memories,

her warmth stays with us even now.  
Though she may not be right beside us,  
her impact is forever stitched  
into our lives.

She had a bright future then.  
She has an even brighter one now.  
And she'll keep lighting paths for  
others—

just as she did for us.

Our friendship is forever.

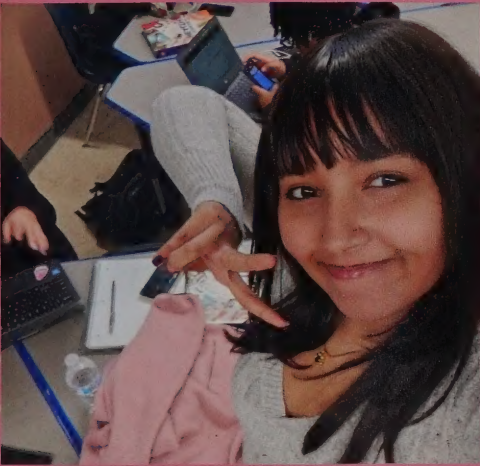

Until death, did we part.

Although you're away physically,  
You're always in our heart.

Love you.

# THANK YOU

Through hallways bright and classrooms near,  
Your presnce shone, year after year.  
A guiding light, a steady hand,  
You helped us grow, across the land.

From textbooks deep to lessons bold,  
Your wisdom shared, a story told.  
You nurtured minds, with patience true,  
A thankful heart, belomgs to you.

For all the hours, you've spent with care,  
For every lesson, beyond compare.  
A teacher's touch, a loving guide,  
Your impact strong, we've stood beside.

So thank you, dear, for all you've done,  
Your dedicatio, we have won.  
With grateful hearts, we say goodbye,  
And wish you well, as you climb high.

We'll carry forth the flame you've lit,  
The knowledge gained, and all you've knit.  
In every thought, in every stride,  
Your legacy, will always abide.
